

Carmichael HART's Transitional Housing Program is beginning with 1 house on Walnut Avenue. We will be able to house 4 people who are currently experiencing homelessness in Carmichael. Our program will provide more than shelter and food. Each resident will be assigned a case manager who will help them navigate resources and explore next steps, such as employment and permanent housing. They will also be assigned a mentor who will meet with them weekly to work on life skills and provide support and guidance.

How can you help? We are raising money to cover the day-to-day expenses of operating the house which include professional case workers, a live-in house leader, food, utilities, insurance, and maintenance. Here are some suggested ways you can contribute:

- \$20 will house and support 1 person for 1 day
- \$80 supports the entire household for 1 day, housing and supporting 4 people
- \$2,400 supports the entire household for 1 month

Please consider a monthly or one-time gift. **If 120 people were to pledge \$20 per month, our house would be fully funded!** Checks can be mailed to our P.O. Box. Please contact Carmichael HART to discuss monthly gifts. We have options including PayPal.
