Hello Friends & Neighbors,

We hope this letter finds you well, safe, and healthy! It is hard to believe it has been a year since the COVID-19 pandemic began and disrupted so much in our lives...

As you can imagine, the pandemic also disrupted the lives of our unhoused neighbors. Services were drastically reduced for those most in need, and the closure of countless resources to folks experiencing homelessness has been devastating. Our unhoused neighbors – who were already struggling – now find it even more difficult to find safe spaces, to find a helping hand, and to be treated as neighbors.

Throughout this unusual time, Midtown HART continues to operate a Respite Center open every Tuesday and Friday. This respite provides a safe space for our guests to rest, to recharge, to receive hospitality and connect with potential resources. We offer our guests essential hygiene items; COVID safety protection such as masks and sanitizers, or survival necessities like sleeping bags and mats. Also available are shoes, clothing, and at times bicycles. This is only possible because of help from our friends and neighbors like you.
